

2026 MEDICAL | GERIATRIC | PEDIATRIC | INFANT NUTRITIONAL SUPPLEMENTS & FORMULA LIST

The following information has been provided to us by the OU.

The product brands listed below are not certified Kosher for Passover. Nonetheless, the OU has identified that these products are *halachically* acceptable for infants, the elderly, and those who are ill.

PLEASE NOTE THE FOLLOWING POINTS:

- Many of the products contain kitniyos, some as the primary ingredient.
- Some of the products may contain minor ingredients that are possibly, though unlikely, produced from chometz-based raw materials. All such ingredients are used at a less than 1:60 ratio.
- Liquid versions of these products are preferable to their powdered counterparts.
- Products that contain flavors should be provided only when no unflavored alternative exists.
- Products should be purchased before Passover and segregated from Kosher for Passover foods.
- A few – not all – of the Ensure, Glucerna, Pediasure and Jevity products contain oat fiber; the OU has determined that the fiber is not chometz, and the products are permitted to be consumed on Passover.
- Products must bear an OU or OU-D symbol.

MEDICAL NUTRITIONAL SUPPLEMENTS		
Abound	Glucerna (Product of USA only - all shakes, all powders, all flavors, excluding bars)	Portagen
Arginaid	Hi-Cal	Promote (<i>Except Promote With Fiber</i>)

Member's Mark	Sunrise	Coconuts Coconut Milk
		Westsoy West Life Plain Soy Milk

BABY FOOD OPTIONS

The following is certified for Pesach:

First Choice Baby Food (only when bearing an OU-P) - Applesauce, Carrots, Pear, Sweet Potato

Non-KFP baby food and baby cereal sold year-round may not be used on Passover. This includes rice cereal and jars of fruits and vegetables, because they may be produced on chometz equipment. The following are additional *kitniyos* options for your baby. Please note that *kitniyos* foods are permissible for a baby, if necessary (see page 80). These foods must not be prepared or cooked on utensils being used for your other Passover foods. Use specially designated utensils. Keep segregated and serve with disposables.

Recipe for Homemade Baby Rice Cereal:

- Purchase rice - Use STAR-S certified *Kitniyot*/no P required rice as listed on page 26.
- Boil 1 cup checked rice (as above) in 2 cups water & cook for 20 minutes, in separate pot used only for *kitniyos*.
- For thicker consistency, strain or blend the cooked rice (with separate utensils used only for *kitniyos*).
- Add one scoop (1 tablespoon) Kosher for Passover vanilla sugar. Mash by hand.
